THE COLORADO REPUBLICANS

Harrison's Silver Policy May Cause a Split in Their Ranks-A Convention to Elect Delegates-in the House.

CHARLESTON, S. C., March 12.-Colonel A. V. K. McCiure, of the Philadelphia Times, in an interview here to-day, said that Hill would not be nominated. If he were, every northern state would help to majority against him in New York of any state. The only possible achievement of the Hill movement is to defeat Cleveland, Moving Austrian Treeps to the Western Frontier. and even that will not be successful.

Colorado Republicana Split on Harrison. DENVER, Col., March 12.—[Special telegram to The Herallo.]—The Republicans of the First congressional district of Colerade met in Denver to-day and did not upon the innabitants. om to be trying on the campaign with all that harmony that should characterize the dominant party. Silver is the rock on which they spill. Some of the delegates were for itarrison, through thics and thin while others occiared that they would support him only in case that he agned a free silver out. The battle was a drawn one. The better issued recently in bedsilver out. The battle was a drawn one. The battle was a drawn one half of the cause of Ireland. He replied way menace the peace of the German

vention to nominate Minneapolis delegates seeming to perpetuate factionalism, was alming at sustaining Gladstone.

The convention for the minimation of state officials will be held in Pasote, September 8.

A FATAL EVPLOSION.

Washington, March 12.-When the journal was read Goombs, of New York, obcted to to the passage which stated that after it was found no quorum was present at last night's session, the sergennt-at-arms had been ordered to arrest absences, Ho (Coombs) was arrested and brought before the par of the ricuse. He said a page notified him he was wanted and he came. We came on a car and I paid llowed to stand in this respect.
O'Neil, of Pennsylvania, also took excep-

pension bills to lock after. During his twently-seven years of service in the House has a pointed from the House but a day and a half on account of sections, and he wanted the bit drill.
